Summary

The Mollie Plotkin Group, Keynote Speaker and Entertainment Agency, has been bringing memorable keynote speakers, motivational speakers and live entertainment to audiences for over 17 years.

For years we've matched memorable keynote speakers and entertainers to audiences as diverse as our speakers themselves. We do this by taking the time to learn about your meeting, event, audience, demographic and budget. We work as a team. We are transparent. And we want to make the process as easy for you as possible.

Business Summary

The Mollie Plotkin Group is a keynote speaker and entertainment agency/broker who represent keynote speakers (both exclusive and non-exclusive) and broker live talent (entertainers, performers, magicians) for events.

Capabilities

Keynote Speakers, Motivational Speakers for Live, Virtual Events, Talent Broker, Production, A/V

Expertise

A few of our most requested keynote speech topics are on the themes of DEI, team building, leadership, disruption, return-to-office and overcoming obstacles. Each year we publish our State of The Speaker Report to let our hiring clients know trends we're seeing and what trends are on the horizon.

We co-broke with keynote speaker agencies around the world and believe working as a collaborative team with other agents makes for a better client experience.
