Mark Millar's Story

21st-century supply chains have evolved into worldwide inter-connected supply-and-demand networks with profound interdependencies. In result, supply chains of the future demand creative solutions.

With over 30 years of global business experience across 4 continents, 80+ publications in 6 languages across 20 countries, 500+ events in 30 different countries, and the widely acclaimed book *Global Supply Chain Ecosystems*, Mark Millar is an invaluable keynote speaker and expert on global supply chains.

From keynotes at major events to focused executive-level briefings, Mark combines real world supply chain experience with a memorable stage presence to perfectly combine insight and entertainment. Mark will take the time to learn specifically about your objectives, your audience and your priorities, and will develop a tailored presentation to generate maximum impact at your event. Most importantly, he inspires audiences to think differently about tomorrow's biggest supply chain challenges. Attendees leave the event with the knowledge, confidence, and motivation to implement innovative solutions.

If you are looking for a speaker that will be informative, memorable, and energetic, then Mark Millar is a top choice.
